On the occasion of the 100th anniversary of Genocide as well as on the occasions of events dedicated to grounded problems of advocacy many representatives and advocates who had done much in their country for Armenian Genocide arrived to Armenia from France, Russia, Greece, Bulgaria.

The advocates for a minute of silence respected the memory of innocent victims of 1915. The Chairman of the Chamber of RA ARA Zohrabyan stressed the importance of arrival of the advocates and international organizations from different countries to Armenia.
