

THE CONGRATULATIONS OF THE CHAMBER OF ADVOCATES OF THE RA ON THE OCCASION OF POLICE DAY

16.04.2014 15:47

Dear Advocates,

The Chamber of Advocates of the RA congratulates you on the occasion of Police Day. This professional day is an additional stimulus to discuss drawbacks and shortcomings existing in this sphere which are possible to be sold only in a self-purification method. Mode of action like this is already obvious in the Police system. RA Police increased its role and public trust by choosing the way of reform and self-purification. On the occasion of professional day the Chamber of Advocates of the RA wishes RA Police endurance, strength and robust health in this difficult and responsible profession.

The Chairman of the Chamber of Advocates
