

ADVOCATES CAN USE NEW KIND OF TRAININGS.

27.05.2015 15:55

On 26 May, the presentation on online learning of ABA took place in the Chamber of Advocates of RA. Expressing gratitude for joint work Ara Zohrabyan mentioned that this project is aimed at the development of advocacy institute. ABA ROLI director of Europe and Evrasia region Sasha Belenkaya spoke about the realization of the project and particularly mentioned that the project will contribute to the interest of justice of Armenia.

All the speakers stressed the importance of this initiative. The advocate Hayk Alumyan pointed that it is a step from hundreds done by the company and added. "This initiative recover the entire judicial system..."

Afterwards the deputy director of the Armenian representation of ABA ROLI Hasmik Hakobyan introduced the structure of the website and introduce how advocates can use it. According to Hasmik the if the advocate can not come to the Chamber of Advocates of RA and participate to the trainings he can enter the webpage www.olp.abaceeli.am, sign in, chose the training topic and watch the video, which will regularly spotter question to clear whether the advocate wached the training or not.
